**Unopposed Motion for Second Extension of  
Time to Respond to MRI's Second Motion to Compel**

Lynx Systems, Inc. hereby moves the Court for a second extension of time to respond to MRI Software, LLC's Second Motion to Compel (ECF # 130) to facilitate negotiation of a stipulation to either resolve or narrow the discovery issues raised in MRI's discovery motion.

As MRI requested in connection with Lynx's first extension, counsel for Lynx and MRI met and conferred on January 7, 2014, regarding MRI's motion and have agreed to negotiate toward a stipulation to potentially resolve all or part of MRI's motion. Lynx will initiate that process by providing MRI with a proposed stipulation by the end of the day on January 8, 2014, which the parties will then negotiate in good faith. If the parties are unable to negotiate a stipulation to resolve MRI's entire motion, they will jointly notify the Court regarding any matters on which they have agreed, and Lynx will then have two (2) business days to submit its opposition to MRI's motion on the issues that remain outstanding.

Lynx accordingly asks that the Court grant this motion, which is unopposed (*see* Exh. A), and extend Lynx's time to respond to MRI Second Motion to Compel as requested in this motion.

Respectfully submitted,

Dated: January 8, 2014
